

Set away from the activity of the beach and main hotel buildings, Discovery Spa is your escape to peace and relaxation.

Close friends and couples can receive their treatment in one of 7 rooms for two persons, 5 of which have a private bathtub. For those seeking tranquillity alone, there are 6 rooms for a single person. Little guests can also enjoy some pampering with two Kids's Spa treatments.

For extra privacy, there are two separate treatment areas for males and females. Each treatment area has its own sauna and changing rooms. The adjoining salon provides a range of hair, face and hand and feet treatment to complete your blissful break.

Massage therapies, body treatments and facials combine western and eastern knowledge with long-established techniques. The professional and trained spa therapists are attentive to what you require from your spa visit.
